DFC's Current Courses

DFC has developed and offered courses for Danish funded partners on many different subjects with many different partners since 1990 – and we continue to do so. Below you will find information on the courses confirmed for 2020.

Please note: Due to COVID-19 several courses have been rescheduled, cancelled or converted to online learning. The list below contains the most updated information

Please note: Courses that are also available to Danida funded partners outside the Strategic Sector Cooperation are marked in green.
