E-FOND STEP 2

Objectives

Objectives are defined as what the project aims to achieve in the long term. Achieving the objectives is the impact of the research

Outputs

Outputs are produced as a direct result of activities, e.g. seminars, publications, and PhD degrees.

Output indicator

Output indicator is a measurable indicator on short- and medium-term achievements

Baseline

Baseline is the status before activities begin.

Midterm milestone

Midterm milestone is a measurable indicator on progress towards the specific delivery of outputs by midterm of the project.

Outcomes

Outcomes are what the project aims to achieve in the short and medium term and are the result of project outputs as well factors beyond direct control (such as policy changes and/or practices of stakeholders/users of project outputs).
