DFC’S ADMINISTRATION OF RESEARCH FELLOWS FROM DEVELOPING COUNTRIES

DANIDA FELLOWSHIP CENTRE

Danida Fellowship Centre (DFC) is a self-governing institution funded by Danida. DFC implements and administers the Danida supported Fellowship Programme.

DFC receives approx. 600 fellows every year and carries out a number of tasks in connection with the fellows’ arrival and research in Denmark.

According to Guidelines for Danida Fellowships, which can be downloaded from the DFC website www.dfcentre.com, all Danida-funded activities shall be administered by DFC and follow the DFC guidelines to ensure the homogeneity and quality of training and living conditions in Denmark.

Danish universities and institutions of higher education which receive Danida funded research fellows have the possibility of utilizing DFC’s services, on the condition that the code of practice for Danida’s fellowship programme is followed and that DFC is advised at least 3 months prior to the initiation of the study period.

According to the conditions for grants to development research no overhead contribution can be included of expenses incurred by DFC relating to study periods in Denmark. If the institution exceptionally opts out the DFC’s services, the institution can still not include the overhead contribution, even the expenses in this case is incurred by the institution.

ADMINISTRATIVE PROCEDURES

The DFC administrative procedures cover:

- Assistance with application for residence permit/visa
- Insurance
- Flight reservations
- Accommodation
- Bank account/payment of monthly allowances
- Registration at the Danish Registration Office
- Application for tax exemption
- Counselling on personal and family matters
- Social activities

The project coordinator is requested to arrange a coordinating meeting with DFC before the administrative procedures commence. **Also DFC should receive a copy of the letter of invitation mentioning the full name, date of birth and e-mail address of the fellow as well as the precise study period. Please find enclosed a draft letter of invitation.**

The Guide for Danida Fellows in Denmark should always be forwarded to the fellow along with the official letter of invitation.

A draft letter of invitation is available at the DFC website www.dfcentre.com. Here you will also find a PDF version of the Guide for Danida Fellows.

Please take note that the guidelines stipulated in Guide for Danida Fellows in Denmark must be adhered to. This is in order to create the best possible stay for the individual fellow, to create the same conditions for all fellows and to secure an expedient and efficient administration.

Please find below a more detailed description of the administrative tasks.
RESIDENCE PERMIT/SCHENGEN VISA

In order to start the application procedure DFC needs information of the full name, date of birth and passport number of the fellow. DFC will prepay the fee to the Danish Immigration Service (DIS). The original form with receipt of payment will be forwarded to the Danish Embassy. The fellow should contact the Danish Embassy and fill in part 1 of the form.
