

Commitments to research project in 2017

The list will be updated with links to each project in the Danida Research Portal when the projects have been acceded to.

Window 1 – Danida priority countries

| Project coordinator | Institution | Project title | Conflicts of interest among FFU members |
|------------------------|--|--|---|
| Claire Methven O'Brien | Danish Institute for Human Rights | Realising the SDGs: The role of responsible business | |
| Dirk Lund Christensen | University of Copenhagen | Halting the dual Tuberculosis & Diabetes Epidemic | Flemming Konradsen |
| Helle Samuelsen | University of Copenhagen | EMERGING EPIDEMICS: Improving Preparedness in Burkina Faso | Flemming Konradsen |
| Lars Hviid | University of Copenhagen | Accelerating the development of a malaria vaccine for Africa | Flemming Konradsen |
| Lasse Møller-Jensen | University of Copenhagen | Climate change resilience in urban mobility | Flemming Konradsen |
| Lotte Meinert | Aarhus University | Imagining Gender Futures in Uganda – IMAGENU | Annette Skovsted Hansen, Stefano Ponte |
| Peter Albrecht | Danish Institute for International Studies | Domestic Security Implications of UN Peacekeeping - D-SIP | |
| Peter Furu | University of Copenhagen | Environmental sustainability of hotels on Zanzibar | Flemming Konradsen, Stefano Ponte |

Window 2 – Growth and transition countries

| Project coordinator | Institution | Project title | Conflicts of interest among FFU members |
|---------------------|--|--|---|
| Alfredo Peña | Technical University of Denmark | Multi-scale and model-chain evaluation of wind atlases | |
| Anders Dalsgaard | University of Copenhagen | Health and Antibiotics in Vietnamese Pig Production | Flemming Konradsen, Stefano Ponte |
| Ivan Nygaard | Technical University of Denmark | Tendering sustainable energy transitions (TENTRANS) | |
| Jens Modvig | DIGNITY - Danish Institute Against Torture | Mental Health in Post-Conflict Colombia - Ways Ahead | |
| Karsten Høgh Jensen | University of Copenhagen | Enhancing Sustainable Groundwater Use in South Africa | |

| | | | |
|-----------------------|--|--|---------------------|
| Maj Munch Andersen | Technical University of Denmark | Green & circular innovation for Kenyan companies | Nancy K. N. Karanja |
| Niels Fold | University of Copenhagen | Socio-economic Benefits of Ecological Infrastructure | Stefano Ponte |
| Peter Skov | Technical Univeristy of Denmark | Sustainable Value-Chains: Aquaponics in Colombia | |
| Simon Stisen | Geological Survey of Denmark and Greenland | Managed Aquifer Recharge in the North China Plain | |
| Tine Mette Gammeltoft | University of Copenhagen | Informal Support for Diabetes Management in Vietnam | Flemming Konradsen |
| Torkel Gissel Nielsen | Technical University of Denmark | Research-based management of Gulf of Guinea | |
