

Summer Courses offered through the DFC Scholarship Programme

Scholarships for the following summer courses are offered under the DFC Scholarship Programme in **2019**.

Please note: To be eligible for a summer course the candidate **must** be a national/local staff member of a partner/affiliated organisation under the Strategic Sector Cooperation and be endorsed by a Sector Counsellor. DFC pre-approves the scholarships while actual admission to summer courses is handled exclusively by the relevant university and cannot be influenced by DFC. Candidates should **not** apply until pre-approved for a scholarship by DFC. Pre-approved candidates **must** apply directly with the respective university and follow its admission process, requirements and deadlines.
