

## **COVID-19 mandatory requirements for residents at the DFC Hostel**

Warmly welcome to the DFC Hostel!

### **COVID-19 entry requirements**

There are currently no entry restrictions to Denmark.

### **What to do in case of a positive test or COVID-19 symptoms?**

If you test positive but feel fine and have no symptoms, it is not mandatory to isolate yourself.

If you feel sick and have symptoms you should stay home and rest, much like you would if you had the flu. You may contact DFC by phone or e-mail; +45 3536 1322 / [dfc@dfcentre.dk](mailto:dfc@dfcentre.dk) for more information, if you are in doubt. Outside DFC opening hours, you can call the DFC contact person at: +45 2217 0741 or the Danish Health Authority's COVID-19 hotline phone: +45 7020 0233.

### **What does isolation imply?**

Self-isolating means staying in your room. You may however go out to buy food, medicines or other essentials, go for a walk, or for exercise.

You are most welcome to contact the DFC staff during your isolation period to discuss your particular situation.

**DFC contact information:** +45 3536 1322 / [dfc@dfcentre.dk](mailto:dfc@dfcentre.dk)

### **General requirements concerning COVID-19**

Always comply with the general guidelines for appropriate behaviour in the public space and follow the Danish Health Authority's recommendations regarding how to limit the spread of infection. Find more info about this at the website of the Danish Health Authority: <https://coronasmitte.dk/en>

### **Before departure**

DFC will provide information for you for how get a pre-departure COVID-19 test if your country of destination requires this. You may find more information here: [IATA - International Travel Document News \(iatatravelcentre.com\)](https://iatatravelcentre.com).

Please make sure to familiarize yourself with the entry restrictions applicable for your country of destination well ahead of departure from Denmark.

We hope that you will have a pleasant stay at DFC despite the difficult times!
